The announcement of the death of Elder Ed. McElroy on August 4th was made through a communication from Elder Charles C. Asdell of the Scotland Church in which he requested that he be excused from the meeting of Presbytery because of ill health. He was excused.

Williams announced the deaths of Elder James Harden and Elder James R. Mac Gregor of the Princeton Congregation. Zeller announced the sudden death of Elder William P. Turner on the previous day. Presbytery stood while Dr. Clark led us in prayer.

Upon motion, duly seconded and carried, Dr. R. E. Boyer, S. S. M. was granted the privileges of the floor of Presbytery.

Upon motion, duly seconded and carried, the Minutes of the Spring Meeting of Presbytery were adopted.

The Minutes of the Special Meetings of Presbytery of June 6 and July 13 were read and upon motion, duly seconded and carried, were adopted.

The Moderator appointed the following committees:

The Committee on Revision, Strigas, Elders Morrow, Meek, Jackman and Redden.

The Committee on Resolutions: Clark and Elder Wible

The Committee on the Training of Young Men: Zeller, Williams and Elder Anderson to meet with the other members.

The Clerk made the following report, which upon motion, seconded and carried, was received:

Fathers and Brethren: Your Clerk wishes to make the following report:

1. He has certified to the Pittsburgh-Xenia Seminary John William Carpenter as having been examined and received under the care of Presbytery for the gospel ministry. He has received from Pittsburgh-Xenia Seminary acknowledgment of this certification. John began his college work on September 6 and is now a freshman in Bob Jones University.

2. He has certified Walter Scott as having been advanced to Senior Year in the Seminary and that request was made for the regular aid for the students of the Senior year. The Seminary acknowledges the communication accepting our certification.

3. He has certified Miss Lillian Doloris Anthony for entrance this fall to the Department of Christian Education of the Pittsburgh-Xenia Seminary in accordance with the Minutes of the Commission of Presbytery who examined Miss Anthony. The Commission did not ask about aid and the Clerk does not know if aid is granted to students in this Department. Nevertheless, in the certification, your Clerk requested of the Registrar of our Seminary if such aid is given that it be granted to Miss Anthony.

4. James Wadsworth, was by permission of Indiana Presbytery, certified after examinations by the Presbytery of Allegheny, as a Senior to the Pittsburgh-Xenia Seminary. Letters were exchanged between the Clerk of Allegheny Presbytery and your Clerk on this matter. Also, at the request of James Wadsworth, your Clerk certified the grant in aid of \$90.00 which is given to students of the Senior Class.

5. John E. Stevens was to have been examined by this Presbytery looking to his licensure. He was stricken with poliomyelitis and is now in the General Hospital at Sharon, Pa., where he is improving. The Clerk has been in correspondence with John and his wife, Bettie, in relation to his being licensed. Also with Dr. George A. Long, President of our Seminary in relation to the proper thing to do under these unusual conditions and desires to meet, if permission be granted, with the Committee on the Training of Young Men to lay before them the three possibilities of carrying out what we had hoped, but cannot do, today.

6. The Clerk wishes to acknowledge a very serious mistake he made in placing in nomination the names of Rev. Gordon H. Clark, Ph. D., Rev. Fred Huish and Rev. R. W. Copeland, as Commissioners to the General Assembly of 1951 before the name of Rev. Clinton M. Marsh, who after Rev. C. P. Blekking, should have been principal delegate to our Assembly last May. He deeply regrets this mistake.

7. In the By-Laws of Indiana Presbytery as printed it states that Commissioners should be elected at the September meeting. In 1938 the By-Laws were changed to read "at the Spring Meeting of Presbytery." This was done because it happened with frequency that those elected in the Fall Meeting were no longer members of Presbytery at the Spring Meeting, and much confusion was caused. According to our records the ministerial commissioners to the General Assembly of 1952 will be: Principals, Rev. Clinton M. Marsh, Rev. C. P. Blekking. Alternates: Rev. Gordon H. Clark and Rev. Fred S. Zeller. The churches of Presbytery to elect Commissioners as: Principals, Witherspoon and Milroy; Alternates, First, Indianapolis and Salem.

8. The Clerk wishes to state he has had correspondence with Rev. Albert R. Smith. Rev. Mr. Smith has been in the Cutler Church, Cutler, Ill., in Southern Illinois Presbytery. He has met with a Commission of that Presbytery and requests a letter of standing and dismissal from our Presbytery to the Presbytery of Southern Illinois to be acted upon by said Presbytery in its meeting in February, 1952.

9. The Clerk has received a request that Indiana Presbytery elect one member to the Board of the Home for the Aged, said member to be confirmed at the meeting of Synod.

10. The Clerk wishes at this time to present his resignation as Clerk, a position he has held for twelve years. He believes that another should have the joy of

occupying the position and trusts his successor will learn as much and have as much pleasure in the Clerkship as he has had.

Upon motion, duly seconded the report of the Clerk was received and the following actions taken:

That a letter of standing and dismissal be granted Rev. Albert R. Smith to the Presbytery of Southern Illinois.

Upon motion, duly seconded and carried, Rev. Clinton Marsh be our representative on the Board of Mt. Pleasant Home for the Aged.

That the request of the Clerk be tabled. Carried.

Dr. Clark spoke with concern about the illness of John Stevens and prayer was offered on his behalf. By common consent this was spread on the minutes with an urgency of continued intercession on John's behalf.

In the absence of the F. A., Rev. Fred Huish presented the report:

The S. M., Rev. H. Vincent Wright, made his report and is as follows:

"Fathers and Brethren: Your Superintendent of Missions would report as follows:

Checks for the men on the field have been received from the Board of American Missions and forwarded promptly to them. Letters have been written to several ministers in the interest of vacant congregations. At our last meeting we had vacancies at Woodruff and Scotland.

On September 13, your S. M. acting on a suggestion from Dr. Boyer made a trip to Scotland and worked with representatives of the congregation in a plan to make the Scotland manse livable to the end that we might be able in the near future to secure a regular pastor for this needy congregation. The expense of this trip needs to be acted upon.

Tomorrow evening, your S. M. is to preach in Woodruff Church and preside in the Moderation of a call. Since the next regular meeting of Indiana Presbytery will be held at Synod and on the same day Boston Presbytery meets in regular session, we would ask that a Commission be appointed to act on the call and forward it to the candidate.

The Westminster congregation is planning to build their new church as soon as materials can be secured, possibly breaking ground about October 15. They are asking us to recommend them to the Board of American Missions for a loan of \$25,000 to be repaid in seven years. They have purchased a large lot in an unchurched area of the

city; have completed a financial campaign and have had their plans approved. We would recommend the hearing of their representatives in connection with this report.

The Bloomington Congregation has optioned a lot in a new area of the city in the eastern part and only a few blocks from the University. Their plans have been approved, a financial campaign has been completed and they are ready to begin building operations as soon as possible and as soon as materials are available. They are asking us to recommend them to the Board of American Missions for a grant of \$20,000, and a loan of like amount to be repaid in -- years. We would recommend the hearing of their representative in connection with this report."
